

A black and white photograph showcasing a variety of merchandise from Crystal Productions. In the foreground, a clear plastic water bottle sits on a wooden surface. To its right is a lanyard with a badge that reads 'NICE TO EAT YOU DEATH FEST 2020' and 'AGAINST ALL INFECTIOUS GERMS'. Further right is a lanyard with a badge that reads 'ICZECH DEATH FEST PROGRAM 2019'. The background is filled with numerous lanyards, some with 'CRYSTAL PRODUCTIONS' and 'METALGATE' printed on them. OTHER KEYCHAINS

woven lanyards, keychains as pendants, cupholders...

WOVEN, LACE, SEWING AND OTHER LANYARDS

In addition to sublimation technology, we offer **lanyards woven** or **transfer screen printed**.

Thanks to this, you can also choose other types of material. We offer **single-sided** or **double-sided printing**. However, certain limitations in graphics already apply to each type of material.

It is not a problem to use effective **reflective printing** or **flat** or **round shoelaces**. Keychains can be of **different lengths**, they can be also **layered** or **stitched**. And if you really want something unique, ask us for keychains like **a zipper**.

CUPHOLDERS

The completely specific product that we offer and sew are **cup holders**.

You will appreciate them especially in the summer at cultural events and music festivals. You no longer have to worry about losing your backed-up cup.

KEYCHAINS AS PENDANTS (USB DRIVE, FLASHLIGHT, METER...)

Traditional pendants are among other promotional items. There are really many types and variants, for example:

Keychains with USB car adapter

Metal shaped keychains

Metal keychains with bottle opener

Keychains with tape flashlight (1,5m)

Keychains with tape measure (1,5m)
