## FLAT/3D EMBROIDERY

WHEN EMBROIDERY IN CHINA, THE EMBROIDERY IS DONE ON A FLAT SURFACE BEFORE THE CAP IS SEWED TOGETHER. THIS MEANS THAT THE EMBROIDERY SIZE IS UNLIMITED AND YOU CAN SEW ON ALL PARTS OF THE CAP. YOU ALSO GET A MORE PRECISE AND DETAILED EMBROIDERY - QUALITY BECAUSE FINER NEEDLES CAN BE USED AS THEY DO NOT HAVE TO PUT THROUGH THE CAP'S REINFORCEMENT IN THE FRONT AS WITH EMBROIDERY ON A READY-MADE STOCK CAP. WITH 3D EMBROIDERY, A FOAM PLATE IS PLACED UNDER THE EMBROIDERY WHICH GIVES THE EMBROIDERY EXTRA VOLUME AND A RAISED SURFACE. MINIMUM ORDER QUANTITY 144 PCS/DESIGN.

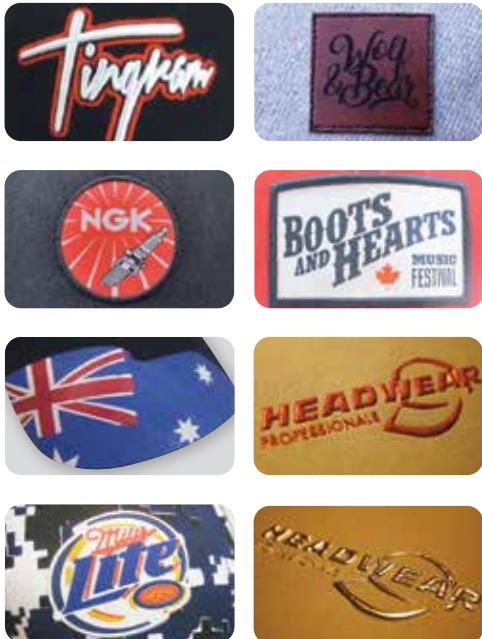

## SCREEN PRINTING

SCREEN PRINTING PROVIDES AN UNLIMITED PRINT SURFACE AND THE POSSIBILITY OF PRINTING EFFECTIVE LOGOS WITH DETAILS LIKE CRACKING FOR A VINTAGE EFFECT. THE PANELS ARE INDIVIDUALLY PRINTED AS IT IS NOT POSSIBLE TO SCREEN PRINT OVER AN UNEVEN SURFACE THAT SEAMS AND THE GAP BETWEEN THE PANELS SO SOME OVERLAP MAY OCCUR WHEN PATTERN MATCHING. MINIMUM 3 MM TEXT HEIGHT IS REQUIRED FOR GOOD QUALITY WHEN SCREEN PRINTED. MINIMUM ORDER QUANTITY 144 PCS/DESIGN.

On stock we offer one medium size but on our fast track programme we have three different sizes available; Small 56 cm which is perfect for most women, medium 58 cm which is our standard unisex size and for those who like a little extra real estate for their heads we have a larger size at 60 cm. # THE CHAMP

## DRESSED FOR SUCCESS

This sleek and smooth khaki cap is made of a durable **Chino cotton/synthetic sports twill** fabric that is both comfortable and stylish. As intended, chino fabric was originally made to be light, durable, and comfortable to be worn in British and French military uniforms in the 1800s. However the fabric itself was originally made in China. The military trousers gained civil popularity in the US as Spanish-American war veterans returned who called the trousers *Pantalones Chinos* which means Chinese pants.

Padel has become a massively popular sport here in Sweden and even though sports should never mean war - this #3992 cap has all the qualities needed to win the game. This timeless chino fabric is also available in black, navy and white if the traditional military green doesn't float your boat.

# THE EXPLORER

## WILL ENDURE ANY CHALLENGE

Our popular acrylic cap #3920 is back in the top 10. We've also created a new version due to popular demand. It's sibling #3919 is made of the same durable **premium American acrylic** material but in a new classic version in black or navy without the splash of contrasting colour underneath the peak.

Explorers have long played a central role in the history of humankind. The urge and ability to scale mountains, cross oceans, and endure extreme conditions are distinctive characteristic this cap reflects. Made of 100 % acrylic fibers it boasts highly **insulating properties** and is also resistant to destructive forces like moths, mold, and mildew. Acrylic fabric is also **hydrophobic**, meaning that it doesn't easily absorb but instead repels water and provides some protection from the elements. The perfect cap for any adventure.

# THE GODFATHER

MAKES YOU AN OFFER YOU CAN'T REFUSE

The #4199 is the Godfather of all our caps and our best selling cap of all time. They say that you have to pick 2 out of 3 options from the **"Quality, Fast and Affordable Triangle"**. For example, you cannot have quality and fast, and be affordable but this rule has one exception, and it is our Godfather, #4199 cap.

Made from **heavy brushed cotton**, the cap is soft to the touch but extremely durable. The cotton is mechanically brushed to tease out super fine fluffy fibers, increasing air flow but keeping you warm at the same time, making this cap perfect for all year round. Usually, fabric is made to reduce any rogue fibers but with this brushing technique, the fibers are enhanced, leaving you with an incredibly soft finish.

# THE HERO

## TRIES TO SAVE THE WORLD

This little guy keeps growing every year and we are so proud of it. Made of earth friendly recycled materials the good guy does it's best to **reduce, reuse and recycle** to keep the carbon footprint low and help clean up the environment.

Every year tons of plastic enters our oceans killing marine life and causing micro plastics to wander up the food chain. Single use plastic is a big culprit, and this little hero takes those littered soda bottles and turns them into something that will save your nose from getting burnt in the summer while looking stylish at the same time since the **recycled RPET** polyester has a really nice shine and finish to it.

#4050 is a good guy indeed.

We hope you keep on choosing this hero among our caps.

## WEAR THE AMERICAN DREAM

One of our favourite acrylic caps #3920 was given a makeover and received a new suit. Cap #4000 continues to be a rising star among our newcomers and we have just added a new denim blue color to the collection. The marbled American acrylic fabric gives it a very modern look. This **premium American acrylic fabric** is soft to the touch yet very durable and strong.

Acrylic has the advantage of keeping its colours better than cotton fabrics when exposed to sunlight for long periods of time. It's also scratch and tear resistant with its strong fibres. Americans do have a reputation of being hard working after all. The marbled light and dark grey fabrics are retail quality and give the #4000 cap a **premium fashion look**.

## SPREADS THE LOVE

The first baseball caps have been around since 1860 when the Brooklyn Excelsior's wore the first ancestor hats with a short peak to shield their players eyes from the sun. Since then, the classic Brooklyn style cap has evolved into the modern rounded-top baseball cap with a long peak, snap back and button on top.

The floppy ancestors also became more structured with a reinforced front and higher profile to better display the baseball team's logo. The baseball cap was and still is an important symbol, to identify with a sports team and show your loving support. We will continue supporting and supplying you with our favourite **American acrylic snap back #4087**.

# THE MINIMALIST

## NOTHING FANCY REQUIRED

We love to cater for a wide variety of needs and sometimes nothing fancy is required. The #4012 is our bestselling cap for the price conscious. We gave it a thin polyester shell to keep fabric cost low – as a bonus it makes the 4012 a very nice summer cap. The **thin polyester twill is breathable**, doesn't absorb a lot of sweat and dries quickly. The polyester also keeps it's colour longer when exposed to sunlight compared to cotton, and the fabric is slightly water repellent against summer drizzles.

The details inside the cap have recently been upgraded from a non woven sweatband and seam tape to a 2- stitch sweatband and seam tape in polyester for a more comfortable fit and nicer look. The minimalist is the perfect summer cap and the polyester has a lovely smooth and sleek finish. It's so **minimal and light weight** – you'll barely notice it's on your head.

# THE EMPEROR (IN NEW CLOTHES?)

## WHEN AN ORIGINAL GOES MODERN

We took the classic trucker mesh cap and merged it with a sleek modern summer cap, to bring this emperor into the 21:st century - looking fresh.

Old meets new in this **lightweight polyester cap with ventilating mesh** on the back, which makes it a perfect summer cap for hot days.

It's so light and airy that unlike the emperor in the fairy tale you might think you are naked. In the story the mothers must shield their children's eyes when the emperor walks past. In our story this emperor will do all the shielding and protect your pretty eyes all summer long. The #3819 is a mesh trucker cap in a new sleeker design with a modern look.

Just like a tasty sandwich made with care and love is the best comfort food, this sandwich cap made with our love and care will comfort your head. Made from the same soft **heavy brushed cotton** as our Godfather cap - this baseball cap is incredibly soft to the touch.

With a classic baseball look and the added extra details of the **sandwich in the peak and an oxidized silver looking metal ring clasp**, this cap brings a little something extra to the table.

Just like a good sandwich you can choose between different fillings on many of our cap colours. And if you want, we will make it special just for you, from 144 pcs.

## OH DEER, SAFETY FIRST

Many of us remember one of the early Disney movies from our childhood that left us slightly traumatized. If the hunters would have been wearing **this high visual hunting cap**, maybe Bambi's mom would have gotten away, and we would all have grown up a little happier.

Safety is of course very important and this high visual cap will make your buddies spot you a mile away and you can go about your day worry free.

The #4071 hunting cap is made with **luminescent polyester for high visibility**. We added a little camo so if you're having a slow day you can always pretend to be a bush.
